

Scout Release Form

Scouts desiring to leave camp prior to their units departure or not as a part of a unit must have a release signed by their parents or guardian and approved by the Scoutmaster. Scouts should normally only be permitted to leave accompanied by their parents. The form below should be used in handling these exceptional cases.

In an emergency it may not be possible for a parent or guardian to sign the release. In this event, sufficient information must be recorded attesting to the telephone call or other means of communication by which word arrived asking for the release of the Scout. This information should document the person from whom the call was received, verify telephone confirmation of the parent/guardian asking for release of the Scout, and give detailed reasons for the release.
