

# District Family of the Year Award Nomination Form

One outstanding family will receive their District's Scouting Family of the Year Award. This family exemplifies the Scout Values as a program for the entire family. We ask that the majority of the nominated family members must be registered in the Scouting program to qualify for this award.

NOTE: Single parent families are eligible. Just put "N/A" or "not applicable" for the wife or husband. Also, if a child is active in something other than Boy Scouts (such as Girl Scouts), please provide that information as well.
