Female Campership Process & Application

Funding for female camperships in memory of Suzanne Windisch.

Suzanne had a passion for Scouting her entire life but was unable to participate as a youth. Unfortunately, she was unable to be here when females were invited to join Scouts BSA troops, so it is appropriate that her Scouting legacy lives on in support of female Scouts.

General Information

The goal of the Hawkeye Area Council, BSA, is for every Scout to be able to participate in a summer program experience. The Council Camping Committees have developed a Campership program designed to help **youth members** of the Hawkeye Area Council attending Hawkeye Area Council camp activities on **Council operated properties** and District Cub Scout Day Camps. Limited funds are available to assist Scouts who would be unable to afford the cost of a summer Scouting activity. **Please read all instructions completely and fill in all spaces. Do not include extra paper with this application.**

Camperships are subjected to the following conditions:

- The Scout and family pays as much as possible, minimum one third (1/3) of the program fee.
 - The unit provides money-earning opportunities (popcorn sales, community fund raisers, etc.) for Scouts to earn funds to pay their own way to camp, participation is required.
- The unit and/or chartered partner organization pays as much as possible.
- The Campership Application should only be for the balance needed after the above resources are exhausted.
 - The maximum campership awarded will be one third (1/3) of the program fee.
- **April 15 is the deadline** for all campership applications. Applications submitted before the deadline will be reviewed on a first come, first served basis.
 - Applications must be filled out completely. Side one completed by the parent/guardian. Side two completed by a unit leader.

Camperships are not transferable, refundable, and have no cash value. Applications must be submitted no later than April 1. Applications received after April 1st will be reviewed but may not be granted due to limited funds. Troops will be notified of campership amounts by April 8, in order to ensure Scouts can register for merit badges on April 15, assuming all fees are paid in full.

Instructions

Please read all instructions completely and fill in all spaces. Do not include any additional paper.

Campership Request

Please list the amount requested including costs provided by the family, and unit. Specific consideration will be given to those that include amounts of need, and not just the maximum amount allowable.

The ninth part of the Scout Law is "A Scout is THRIFTY." A Scout works to pay their own way. The Council Camping Committee is very interested in what the Scout has done to assist the family in providing them with the camping experience. This is a character-building opportunity for the Scout to learn the importance of being THRIFTY.

Family Information

Briefly, describe the general circumstances that require campership assistance for the Scout to attend camp.

Unit Endorsement

This area is extremely valuable to the Council Camping Committee. Failure of the Unit to provide this endorsement may result in the application being denied or delayed until further information can be obtained.

Information should be provided in this area as to the Scout's participation in the unit fundraising activities like popcorn sales.

In many cases, the unit will be aware of the financial need of the Scout. Confirmation of this fact or further explanation is helpful. Do not merely repeat information already provided.
